KREA *TOUCH*

Distinctive, modern, elegant

K-RANGE

Graceful and sleek, yet robust and reliable

Appealing design, attractive lighting, chrome frames, shiny black surfaces - added to unrivalled performance - make Krea Touch the ideal solution for your coffee break.

Krea Touch offers top-quality drinks and optimized delivery times. The patented Z4000 coffee brewer, and the self-adjusting blades, guarantee high throughput, whilst maintaining high consistency of doses and unparalleled quality.

KREA TOUCH

Exceptional flexibility and outstanding practicality

The 7" HD touchscreen, with its user-friendly interface, allows a high number of selections, flexible and customized recipes management, customer branding and promotional video management.

KREA TOUCH
